

McDonalds – NG160 TWO-STOREY MODULAR RESTAURANT

Good afternoon Bob

Due the ongoing Covid-19 pandemic etc, our clients McDonalds Restaurants have decided not to progress with the Type Approval application for this model and wish the above application to be voided / withdrawn.

Essentially, the proposed model at Stirling will be a one-off, and we are proceeding to secure site specific Building Warrant approval with Stirling Council on this basis.

Please accept my sincere apologies for any works undertaken on the STAS process which may now be rendered as being un-necessary.

Regards,

Scott McKenzie BSc(Hons) MCIOB
