Dear Sirs,

BDW EAST SCOTLAND - ALBA 2020 RANGE

This letter certifies that all structural design calculations relating to the Barratt Scotland House types 'Ballater', 'Braemar', 'Brechin', 'Brora', 'Colville', 'Dalbattie', 'Dalmally', 'Duart', 'Durat', 'Durris', 'Falkland', 'Glenberrie', 'Hume' and all associated variations have been properly prepared, including all structural elements.

We hereby certify that the design for the above listed houses and all associated variations comply with the Scottish Building Standard 2019 in regards to the structural design aspects.

We trust you find the above in order, however, should you have any comments or queries, please do not hesitate to contact us.

Yours faithfully,

Dave Purves
For and on behalf of
